

Masa Biscuits

Serves 12

Heat your oven to 425 degrees F				
2 cups all-purpose flour	whisk	add	fold in	bake 15 min
1 cup masa harina				
1 tbsp baking powder				
1/2 tsp baking soda				
1 tsp kosher salt				
1 1/4 cups buttermilk				
12 tbsp (1 1/2 sticks) unsalted butter, diced small				

Method

- Prep.** Heat your oven to 425 degrees F.
- 2.** In a medium mixing bowl, use a whisk to combine the dry ingredients: flour, masa harina, baking powder, baking soda, and salt.
- 3.** Add the buttermilk and stir to combine.
- 4.** Fold in the butter cubes.
- 5.** Pat the dough into a 1-inch-thick rectangle. Use a sharp knife to cut the dough into 12 equally sized square biscuits. Press the knife straight down and don't drag it; dragging will prevent the biscuits from rising as high as they can. Place the squares on a parchment-lined sheet pan.
- 6.** Bake for 15 minutes. The biscuits will be pretty blond when they are ready, so don't overcook them in the name of getting a golden crust. Serve warm.
